Storage quote checklist

Twelve questions. Ask them of every company, in writing, and fill in the answers side by side.

The unit and the journey

#	Ask	Quote A: _____	Quote B: _____
1	**How big is the unit in cubic metres?** And what stacking height does it assume?		
2	**How many units does my list need?** Ask to see the sum.		
3	**Is it air-conditioned, all year?** Cooled room, cooled warehouse or cooler container?		
4	**Is collection included, and redelivery?** Each as its own line, with the address assumed.		
5	**What does the crew do, and what do I do?** Packing, loading, stairs, long carries.		
6	**What is the total for the whole term?** After 3, 6 and 12 months, every fee counted.		

The money, the contract and the cover

#	Ask	Quote A: _____	Quote B: _____
7	**Is VAT included?** VAT is 5%. Is it in the figure or added?		
8	**Which fees come on top of the rent?** Registration, admin, materials, visits, changing size.		
9	**What is the minimum term, and how do I leave?** Notice, and what happens on the day you collect.		
10	**What happens if I pay late?** Notice before they can act on your things, in writing.		
11	**What cover is there for my things?** Value, excess, exclusions. In the quote or an add-on?		
12	**How and when can I get at my things?** Notice, hours, charges, where the unit sits.		

A quote that does not mention redelivery or cover has not priced them, which means you will meet them later. The full explanation of each question is at storageinuae.com/guides/ and the factors that move a quote are at storageinuae.com/storage-cost-estimator/
